'THE PREACHED WORD'

DOWNLOAD LINK & INSTRUCTIONS

We are delighted to announce that the **Preached Word** App is now live and available for download. This is a mobile phone App so please ensure you open the link below on your phone and not your computer. If you use an **iPhone – click on the link for 'iOS'**. If you use an **Android phone – click on the link 'Android'**.

Once you click on the correct link for your phone you will be guided to the App store. You will see clearly the option to download and install the App (remember, you will need your own personal log in details for *your* App store. This is normally your email address and a password. If this is the first time you've downloaded an App, you can set up an account in your App Store). Once the App is installed on your phone, the icon for the App will then save to your phone's home screen.

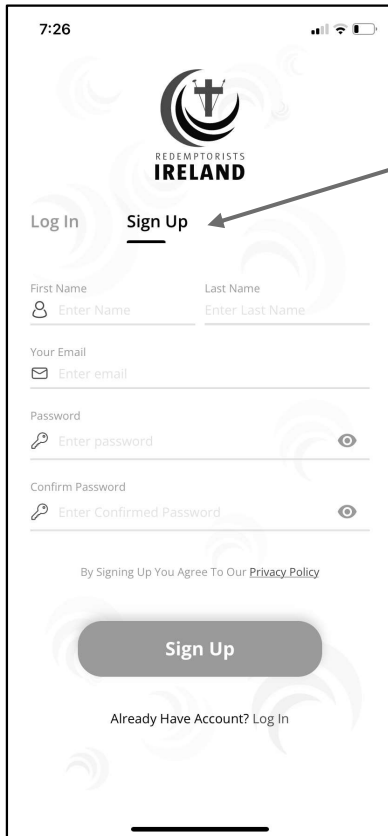

Preached Word app | iOS

---

Please note...

- You can search for **Preached Word** on the App Store without the above link and the App will appear in the search results.
- This is a free App so there is no charge for downloading!
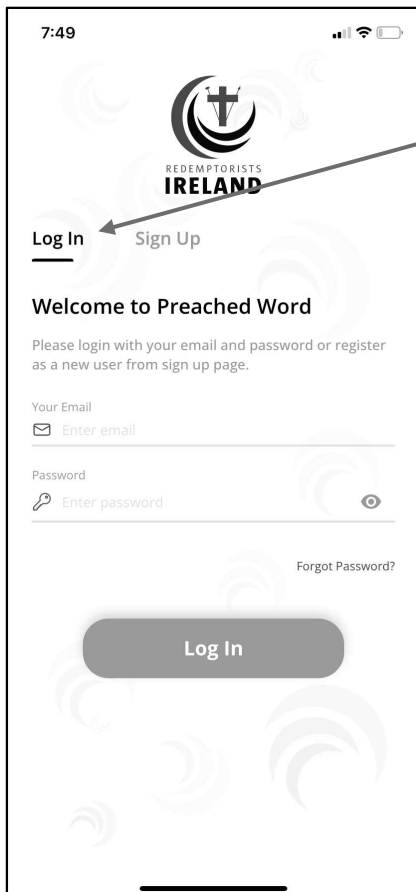

Step 1: Sign up:
Information Needed
1. Name
2. Email
3. Password

CLICK 'SIGN UP'

** An email will then be sent to you that confirms your identity details are correct.

Open the email and follow the instructions.

You are now registered as an App User **

Step 2: Once you have confirmed your email address, please open the App again and click on the 'Log in' section. You can now log in using your email and password.

** You only need to do this process ONCE. When you are set up as a new user, you won't be prompted for log in details thereafter. Your phone will save your information and you can access the App at any time. **
