

## Who We Are:

RYMI was established in the 1980's by the Congregation of the Most Holy Redeemer (**Redemptorists**) with the goal of reaching out to support the young people of Ireland.

The Redemptorist continue to see young people as a priority to its mission of reaching out to those on the margins.

We work to see our youth thrive and are committed to making sure young people's voices are heard.

## Get Involved (Volunteer):

Take the opportunity to get involved in one of our communities across Ireland and discover more by bringing service to others.

RYMI is always looking for more volunteers to join us in our mission. There are many areas to volunteer; this includes - community events, youth activities and innovative projects.

**To get involved please contact us.**
